

Macomb Township

Positioned on the northside of the M-59 Hall Road corridor, Macomb Township has seen explosive growth since the 1980's. Much of this growth has occurred in recent years as large tracts of residential development have followed the expansion of water and sewer service. A number of golf courses and several local and regional parks offer year round recreation. Burgeoning commercial development along M-59 guarantees that residents will be able to find just about anything they need within a very short drive.

A D D E N D U M

Area: 36 square miles.

Cider Mills

One of the best things about Macomb County...u-pick farms with all kinds of fruits and vegetables. Many of these farms have all the amenities, including animals, hayrides, festivals, u-cut Christmas trees, and, of course, the cider mills with apples, cider and donuts, plus mouth-watering pies!

NORTHERN MACOMB

Washington Township

Washington Township's heritage is that of an agricultural community, with new residential development slowly making its presence known. The feature attraction of the Township is Stony Creek Metropark that extends over 4,400 acres of rolling, hilly countryside and inland lakes. Single-family housing offers a wide array of choices from expansive one-of-a-kind custom homes to modest bungalows in established subdivisions. With major urban amenities within easy reach and excellent recreational opportunities this is an up and coming area to consider calling home.
