DETROIT REGIONAL RELOCATION COUNCIL

Detroit Regional Relocation Council (DRRC) is a professional organization that provides a medium to share the latest information, trends and resources for the relocation arena. DRRC has regularly scheduled meetings that offer seminars that address industry topics with opportunities to learn best practices from local and national industry experts. DRRC also offers educational programs that earn CRP (Certified Relocation Professional) credits to help fulfill CRP designation.

DRRC members are active in community programs through a series of charitable giving efforts throughout the year. Members are also invited to attend special outing events to raise funds for these charities while learning about new industry trends. Some of the outings include Detroit River Cruise, golf and holiday events.

DRRC is available to corporate and relocation professionals, human resource manager and service providers who are interested in staying ahead of the industry trends, expanding their knowledge and interacting with industry peers. For further information visit us at www.detroitrrc.org.
